Welcome to "Passport to Winter Shopping!"

Happy Holidays! The La Cañada Junior Women's Club is excited to launch our week-long event geared to encourage patronage at local businesses who have generously donated a percentage of their sales and/or raffle prizes – all to benefit our designated charity Mending Kids of Glendale.

If you are interested in joining a dynamic group of dedicated volunteers, we invite you to contact us. During these uncertain times, we all need to feel connected. The Juniors offers a great way to connect as we find creative ways to be of service. Our goal is to create lifelong friendships while doing good things for the community, women, and children. Email us at lcjwcclub@yahoo.com if you would like more information.

In the meanwhile – let the fun begin! By purchasing a Passport, you are automatically entered into our daily drawings for a chance to win some terrific prizes, some valued up to \$300. Plus, your sway bag will arrive via no-contact delivery, brimming full of beautifully appointed gifts and surprises, from some of our area's most desired businesses! To make life easy for you, we have created a special webpage for every in-store or online vendor. We have added direct links to stores' webpages, Facebook, Instagram and more. When buying from an online vendor, please add a comment that the purchase is for LCJWC so we receive our proper credit for the donation give back percentage. Take a look at lcjwc.org and you will find links called "Passport Fundraiser," "Passport businesses-where to shop," "Passport Raffle Prizes and Donors," & "Passport items for direct purchase."

We hope you enjoy your "travel experience" as you use your "Passport to Winter Shopping!"
