SOCIAL ACTIVITIES

Although the Juniors are actively involved in fundraising and hands-on activities with our philanthropies - we like to kick up our heels and have fun too!

To help keep us connected, we hold numerous social events throughout the year. We have an annual **Holiday Scarf Social**, a **"May Margarita Madness Celebration,"** a **Hiking Group** to promote health and well-being, and other activities where we celebrate one another while providing much-needed friendship and most especially **sisterhood**. Other social events we have participated in include; a Yoga and Brunch party, a "Wine and Wigs" party, Bunco, Lunch Bunch, a Book Club, a Chinese New Year's Party, a Halloween Social, walking in the Fiesta Day Parade, and lots more. At the Juniors, members become lifelong and trusted friends. In fact, we have former members who have been friends for over 50 years and continue to support the Juniors to this day! Come join us!

COMMUNITY OUTREACH

Gayle Hagegard, our Community Outreach Director (who personally delivered most of the meals) led the call for Juniors, friends and family to join in our goal of donating dinners to Union Station Homeless Services through June, 2021.

The Juniors have sponsored this service program we call **"Meals on Heels"** since 2006; where we regularly provided homeless individuals and families with nutritious bag lunches, donated by members, who gather each month to prepare them. During the recent pandemic, the Juniors modified their monthly contribution and renamed it "Adopt-A-Meal" by pledging to donate 20-30 dinners per month, purchased at a local restaurant to help both the restaurant, and the families in need. Through the generosity of Juniors including associate members, we raised \$1,500 to purchase the dinners; supplemented by dinners graciously donated by Hill Street Café, and Barilla America Restaurant Group.

PHILANTHROPIES WE SUPPORT

**The Juniors are the 2020
Les Tupper Community Service Award Recipient**

OUR MISSION

"We are dedicated in our commitment to provide financial and service-based support to assist women and children in need in the greater Los Angeles area."

PHILANTHROPY SELECTION PROCESS

The LCJWC takes Philanthropy Nominations every two years from our membership and encourages its members to nominate organizations that they hold dear to their heart for consideration as grant recipients. We believe that the passion and determination of our members is the key to our success as an organization. It is their desire and commitment to make a difference that enables us to meet and exceed our goals. We have currently chosen our recipient through 2023. In order to be considered as a grant recipient, the organization must allow hands-on support of women and children.

Potential recipients must provide services and programs to benefit the immediate areas surrounding La Cañada. They must also meet the selection criteria outlined by the LCJWC. A grant application must be completed by the organization accompanied by a sponsorship completed by an LCJWC member in good standing.
